

BG-72

Universal OHP Film for Colour Laser Printers & Copiers

A crystal clear film, for Colour Laser Printers using high fusing temperature toners. Ideally suited for overhead projection transparencies or see through overlays. The film uses the same universal coating on both sides, eliminating any confusion when inserting sheets into the feed tray.

Characteristic

- Suitable for Colour Laser Printer
- Suitable for Colour Copier
- Also suitable for machines with high fixing temperature
- True colour
- Good flatness
- Heat resistant
- Highly universal
- Excellent toner bonding

Finish

- Clear transparent

Specifications
